- 29) **THE IMMORTAL AUNT** – DVD-Video, Bonton, 1993, (99 min.). Czech “fairy tale” which very nicely and precisely **ILLUSTRATES** today's society and affect and operation of the Cosmic laws. Characters **LUCK** and **INTELLIGENCE** personify some beings of the Forces of

light, ENVY (played by the delightful Jirina Bohdalova) personifies the Forces of darkness (saurians, for example). Illustrated here are the control of people by the Forces of darkness based on thought impulses and all consequences resulting from this (decay of the kingdom, civil disorder, ...). The movie nicely illustrates many faces and aspects of the Forces of darkness (according to reality), many tests of people. At the end is perfectly shown the only way to force EVIL out the kingdom – when all radiate LOVE and like each other.

THE NEW REVELATION – an important set of books of a VITAL SIGNIFICANCE for the complex understanding of today's condition and state of humankind, dictated by The Lord Jesus Christ through Peter D. F. One can also read an important material of Mrs. Gabriela "Christ exposes the demon's state".

The books exist also in original German language. Again, some of these books are freely available to download at www.cosmic-people.com , www.universe-people.com , www.angels-heaven.org .

Every soul comes with different capabilities, talents and qualities into this world, but also with different soul burdens and base human tendencies and emotions. If these qualities, talents and capabilities of the soul as well as what it lacks are recognized in time, then the positive can be supported and the unlawful corrected in time. 47) Reincarnation

Reincarnation is not only an "Eastern" knowledge, because the thought on reincarnation was still a part of Early Christianity. E) Tape recordings THE WORD OF GOD AROUND THE YEAR 2000

In the series "The Word of God Around the Year 2000" some of the messages from the Spirit of the Christ-of-God, given through the mouth of a human being, His prophetess, are produced as original recordings on tape. (complete series: 25 tapes). Available for purchase at <http://www.universelles-leben.org/cms/en>.

The books presented above are mostly or completely dealing with the contacts with and the messages from the Cosmic people and spiritual beings of the Forces of light.

These books are recommended by the Cosmic people of the Forces of light. Their fundamental life philosophy is love to Creator, to nature, to all living creatures and everything, without any violence.

BUT BE CAUTIOUS !!!!!

Warning ! Reading books dealing with issues of abductions or ship crashes is dangerous for readers since, while reading such a book, the reader instantaneously sends these thoughts out to space (thoughts travel through space much faster than light), and these thoughts are caught exactly by the negative beings dealt with in this book, who then attack these people. Everything works exactly in accordance to the esoteric law: same attracts same. These attacks take place on a large scale in the USA (millions of people were already abducted) where such literature is available much

sooner compared to our country (Czech republic). The same applies to watching face of humanoids (reptiles) with big black eyes.

Hence, I recommend, and Cosmic people of the Forces of light recommend that too, that this literature, as well as any literature about violence (killing and mutilating people) be destroyed. When this happens everywhere, then these negative beings will stop threatening and hurting us. The same applies for films/movies. If, exceptionally, you need to name the negative beings with a reptile-like structure of their bodies (with big black eyes), feel free to call them with love saurians. Unfortunately, Magazin 2000 (Czech UFO magazine) is also very amply equipped with negative extraterrestrials, and so the Forces of light do not recommend reading it until it will, in the first place, contain information from the Forces of light (Pleiadians etc.). After more than two years, Mrs. Tothova, chief editor, is not interested in publishing the "Talks with teachings" in the magazine and she doesn't want to communicate with me (she lets herself be controlled by the saurians).

**BE CAUTIOUS AND USE YOUR FEELING, INTUITION, HEART
WHEN SELECTING AND CHOOSING BOOKS;
BOOKS ARE ENERGIES WHICH AFFECT YOU, TOO !!!**
